PETITION UNDER 37 C.F.R. § 1.181

COMMISSIONER FOR PATENTS
ALEXANDRIA, VIRGINIA 22313

SIR:

Under 37 C.F.R. § 1.181(a)(1), Applicants can petition the director from any action or requirement of any examiner in the ex parte prosecution of an application.

In the present case, filed with the present application was a Request for Consideration of Documents Cited in the International Search Report. A copy of this document is attached herewith along with the date-stamped filing receipt.

M.P.E.P. § 609 C(2) requires that:

The examiner will consider the documents cited in the international search report in a PCT national stage application when the Form PCT/DO/EO/903 indicates that both the international search report and the copies of the documents are present in the national stage file. In such a case, the examiner should consider the documents from the international search report and indicate by a statement in the first Office action that the information has been considered. There is no requirement that the examiner list the documents on a PTO- 892 form.

In the present case, there has been no indication that the examiner has considered the documents cited in the International Search Report. The attached Notification of Acceptance shows that copies of the International Search Report and the references cited therein were

Application No. 09/647,920
Petition under 37 C.F.R. § 1.181

received at the U.S. Patent and Trademark Office. Accordingly, Applicants respectfully request that the examiner consider these documents and acknowledge this consideration by (1) issuance of a Supplemental Notice of Allowance, and/ or (2) listing those references on a PTO-892 form.

Lastly, there has been no acknowledgement from the examiner that the certified copies of the priority documents, filed with the International Bureau, have been received. The enclosed Request for Priority, filed with the application, reports the receipt of the certified copies by the International Bureau by the filed PCT/IB/304 form, attached herewith. Applicants request that acknowledgment of receipt of the certified copies be made on a Supplemental Notice of Allowance.

Respectfully submitted,
